## NEIGHBORHOOD WATCH NEWS

Great news from the Neighborhood Watch -the infamous 'purse burglar' has been caught! After stealing from 60 homes, the 20 year old male resident of Rolling Hills apartments, Hurstbourne and Westport Road, was caught in March when he called a cab from the home he had stolen from which eventually led officers to his apartment. The 20 year old reported that he stole to support his mother and stepfather's drug addiction and bringing home money was a stipulation placed on him to live in the apartment with them.

The thief also reported that he had entered another 30 homes, walked around and when he didn't find any cash to steal, he walked out and continued on to another home leaving the owner unaware of his having been there.

Our Farm Neighborhood Watch reminds us to **CLOSE AND LOCK ALL DOORS!** The thief reported the large number of doors that he found unlocked and was able to walk right into many homes. Please, please, please lock your doors—let's not make a criminal's job easy!

Also, with Spring vacations near, remember to make arrangements with neighbors, your postal carrier, newspaper delivery, etc. to ensure that criminals do not know you aren't home if you go away. Stop your mail and newspaper or have them picked up by a neighbor, leave lights on or use timers and please let your neighbors and Officer Cabrera know you are away from your home.

# TENNIS ANYONE?

by Mandy Masterson

To all of my fellow Brownsboro Farm Neighbors:

I just wanted to let everyone know that we have a great opportunity here at Brownsboro Farms this spring/summer to take tennis lessons at the neighborhood courts this year. Last summer, myself and a few other neighbors (Bridgette Salmon, Susan Burton, Cheri Davidson and Angel Wilder) took advantage of the opportunity to have a tennis pro come out to the courts and give us lessons once a week. The other ladies and I not only had a great time, we got a great workout, and learned the game of tennis to the point that we now have to confidence to play in a league all year long.

The teaching pro's name is Kyle Bates. He was a two-time doubles state champion in Kentucky who went on to play college tennis at Xavier University. I've had the opportunity to learn from multiple pros and I must say that I like his teaching style the most. He's consistent, specific, and patient with his lessons. He likes to believe that it's as simple as playing "connect the dots".

Kyle has expressed to me that he would love to teach more in Brownsboro Farms. He's already the resident pro at Sutherland but would like the opportunity to teach lessons in 'The Farm' a couple of days a week. I know he's great with the kiddos as well and he says it's never too early to start playing tennis.

If you have any interest, just give him a call on his cell phone at (502)224-8925 or email him at kbatesxu@yahoo.com

I must say that I do enjoy this NEW activity that I've grown to love. It truly is a great opportunity to improve the quality of our lives in Brownsboro Farms.

We're excited about taking advantage of yet another excellent activity that 'The Farm' offers. Hope to see you on the Courts!!!
