Commissioner White

Commissioner White has the names of the winners of the golf scramble for the past three years. He has obtained a quote of \$87.50 for a plaque that will hold 10 years of names. Mayor Mosher doesn't think that it will add value to the city. Tessa Ramsey asked about old plaques and awards from the swim team. She feels that if we recognize the golf scramble we should also recognize the swim team.

Commissioner White has talked to the contractor and he said that could get back to it after the beginning of the year. He has talked to two other contractors and they will have quotes back by the first of the year. Commissioner White had a quote for doing it in concrete for \$9,800. Commissioner White will turn over his information to the Parks Board and he will work with the commissioner that replaces him.

Mayor Mosher

Mayor Mosher has instructed our attorney to seek new council in Georgia. The attorneys that we were working with have been nonresponsive.
