Parks Board

No one showed up for the meeting. We need to reconstitute the Parks Board next year.

Commissioner Franklin could not make the meeting. Mayor Salmon reported for her. She is going to write a swimming pool Ordinance. The potholes have been repaired. She is going to get us on the schedule for the tennis court project early in the spring.

Commissioner Quinn

He did research about above ground pools, and he did not see anything in the Metro regulations regarding above ground grounds, only in-ground ones.

Commissioner Ratliff

He has communicated with our snow removal vendor and we are set up for the winter. He is meeting with him next week.

Mayor Salmon reported that the garbage related lawsuit is still moving along, but nothing significant has happened.

Commissioner Holthouse

She called David Self but he has not gotten back with her yet.

She talked to Brad and about blowing out the water lines at the pool, and which ones are our responsibility. She is going to get a plumber lined up to do this.

Mayor Salmon

Mayor Salmon noted that there are no names on the ballots. Everyone needs to spread the word to write in your names for the commission. We are in need of a few more people to be commissioners.
