It's a new year and I'm looking for Farm volunteers to keep some of our favorite social gatherings going in 2022! I have put together a sign up genius with short descriptions of each event and how many host families/volunteers I would need. A lot of these events are traditions we've held for many years here, but please feel free to take your own spin on it and bring new ideas!!!

Grab a neighbor and host one together! It's a great way to get involved in the best neighborhood around!

I'll post on the website too and please message me with specific questions! Thank you!

(Swim team events/fundraisers aren't included here, most of these events listed are city sponsored and funds are provided when approved by the Commission)
