

Dear Brownsboro Farm Residents:

The pool remains a mainstay in our small community. It is a great place to relax and get to know your neighbors. Our pool and park are like no other in the area thus adding value to your home. Please, consider becoming a member of your pool in 2024!

All expenses for pool operation are paid from the membership fees. In order to meet increasing expenses relating to pool management and maintenance, the Commission has determined that the membership fee will increase for 2024.

Effective this summer, the fee will increase by **\$25.00. Several additional expenses we have incurred include an increase in the pool management company contract, cost of pool supplies and chemicals and increase in pay for lifeguards. In addition, we have had an insurance increase as well as necessary maintenance and repairs that are unforeseen.**

We appreciate your understanding and are looking forward to another fun-filled pool season.

**Thank you,
The Brownsboro Farm City Commission**
