A Message From our Mayor:

Just a few reminders. With the pool opening and schools closing at the end of May, there will be a lot more adults and kids walking to the park. Please be mindful of this. Don't assume that kids, and some adults for that matter, will always make the right decisions when crossing streets. Parents, please remind your younger children of this. Review the proper side of the street that they should be walking and biking. Walk against traffic, ride with traffic.

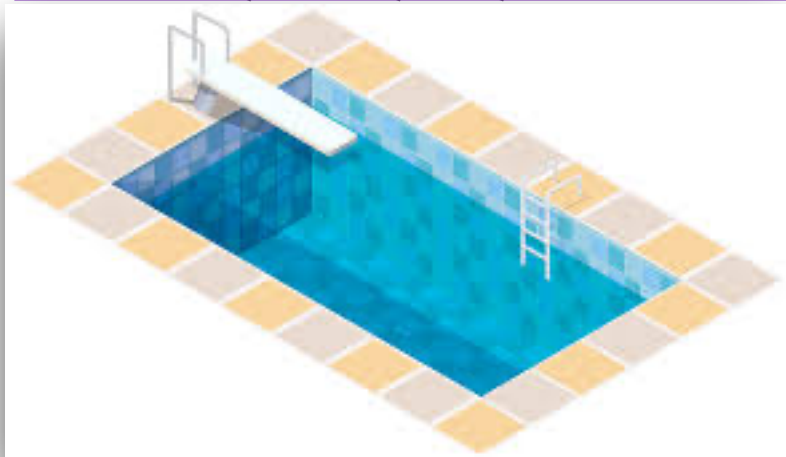

Also, if you have a child over the age of fifteen, our pool is a great opportunity for summer work. The company supplying our lifeguards will offer certification classes on May 18<sup>th</sup> and 19<sup>th</sup>

## Commissioner Augustine's Traffic Safety update

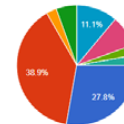

MAY 2024

In response to resident traffic safety concerns, the Speed Radar signs were installed along Old Brownsboro Hills Road this month and are functioning well under solar power. The signs are both collecting data and promoting safe driving speeds. The displayed data gathered in the first couple of weeks recorded over 5000 vehicles traveling in and out of the neighborhood with a daily average of 320+ cars. It also shows that residents leaving the neighborhood are more in a hurry than those returning home with 31% of drivers exceeding the 25 mph speed limit compared to 14% of those returning. Please be mindful of playing children. The signs are movable between Old Brownsboro Hills Road and Fallen Timber Drive and will periodically change locations.

Location: Old Brownsboro Hills Road North Bound  
 Address: 3703, Old Brownsboro Hills Road  
 Speed Limit: From schedule 25 mph
