My name is Katie Danner and I would appreciate your vote again in November! I have been a Brownsboro Farm City Commissioner for four years now and planning on one more term to serve the city my family and I have called home for 10 years now.

I am married to Michael and we have two boys, Bennett (13) and Grant (10) and we have a dog named Izzy. I have a tv news background but I am currently living my best life as a preschool teacher at the Temple. We have lived here for over a decade and hope to never leave as our boys continue to grow in this fabulous city!

Over the last several years I have had a hand in planning almost every social event in the neighborhood and keeping those traditions alive! As a City Commissioner, I've created and run our Facebook community, launched a new website and worked to establish our online directory. I serve as the main communicator of the Farm and hope that you've noticed we try to communicate everything we are working on and plan to continue to do that in the years to come.

I have also served as the Co-President of our swim team for four years. The Marlins who are reigning Division 4 champs, are a huge asset to this community and one my boys and I treasure every summer. We look forward to many more summers on the swim team!

I want to continue to contribute to making the Farm a safe, beautiful and fun place to live and would be honored to have your vote on November 5th. Thank you!

REELECT **Brian Augustine** for COMMISSIONER

OTM

I'm requesting your confidence & your write-in Vote to continue serving you and our beautiful town

In a first term, we the commission have accomplished much together. We enhanced community safety, created new family oriented events, repaved roads, and beautified our town with upkeep & maintenance.

In a 2nd term, I'd like to to focus forward on our future in seeking new city budget funding avenues like grants and commercial revenue generation while strengthening our utility partnerships to mitigate outages. There is no better place to raise a family than Brownsboro Farm.
