

BROWNSBORO FARM GAZETTE

The complaint that I hear more often than any other is why we don't do a better job of enforcing our ordinances. The basic answer is, if you want to fine somebody, they must have their day in court. Jefferson county courts do not want to hear these cases. The state legislature addressed this issue in 2016 with HB422 – Code Enforcement Board Ordinance. This bill allows cities to establish a code enforcement board which would consist of a minimum of three non-office holders (mayor, commissioner) to impose civil fines for violation of city ordinances. The Brownsboro Farm City Commission is currently working on an ordinance to create this board.

The pool will be resurfaced in late April which will complete the revitalization of the pool which started last spring with the replacement of the tile around the pool.

Any resident over the age of 15 that would like to work as a lifeguard at the pool this summer should contact Melissa Green with We Rescue You Staffing, LLC for training and two-year certification. Classes will be held May 9-11. Cost is \$250 per student. Classes will be hosted at our pool Friday 4:00 – 9:00, Saturday 11:00 – 8:00 and Sunday 12:00-8:00. Please contact Melissa Green at 502-956-7554.

Dear Brownsboro Farm Residents:

The pool remains a mainstay in our small community. It is a great place to relax and get to know your neighbors. Our pool and park are like no other in the area thus adding value to your home. Please, consider becoming a member of your pool in 2025!

All expenses for pool operation are paid from the membership fees. In order to meet increasing expenses relating to pool management and maintenance, the Commission has determined that the membership fee will increase for 2025.

Effective this summer, the fee will increase by **\$25.00**. Several additional expenses we have incurred include an increase in the pool management company contract, cost of pool supplies and chemicals and increase in pay for lifeguards. In addition, we have had an insurance increase as well as necessary maintenance and repairs that are unforeseen.

We appreciate your understanding and are looking forward to another fun-filled pool season.

Thank you,
The Brownsboro Farm City Commission
