A Message from the **Mayor**

Just a reminder that JCPS returns to classes on Thursday, August 6th. Weekday pool hours will adjust to 4:00 - 8:00 pm.

Please be aware that with school starting, there will be a lot more kids walking and biking in the mornings and afternoons. The stop signs and speed limits are not suggestions. We have asked for added police patrols. There will be no warnings given. Please drive as if it is your kids walking to school.

Parks Board Updates

About Our Park

NEW LIFE ON OUR COURTS

There's something new to love in Brownsboro Farm! Our tennis and pickleball courts have been resurfaced, giving our neighborhood a fresh, improved space to enjoy for years to come. **We are incredibly grateful to Mayor Stout and the Parks Board** for helping make this project happen and for their continued commitment to maintaining and improving our neighborhood amenities.

A special thank you also goes to John Ratliff, Eric Elder, and Matt Work for putting in the time and effort to restring and rehang the net.

Projects like this are a wonderful reminder of what makes Brownsboro Farm special. We hope everyone enjoys getting out on the courts this season!

The City of Brownsboro Farm has an 11 acre park system, about one eighth of the city's area, making it unique among suburban cities. The south end of the park, accessible from Cascade Road, is devoted to recreational facilities and the Community Center and Pool. The playground area, all weather tennis/pickleball court, a four lane 25 meter swimming pool, cookout patio, volleyball and badminton courts are the park's main attractions. Hidden in a valley of aging hardwoods lies a quiet nature park far from the busy noise of life's bustle, yet within walking distance of half century old homes. This lovely family estate, built in the 60's boasts a nature park with over six thousand feet of private walking paths for residents and their guests, and always there are those awesome views. A watchful eye will be rewarded with sightings of red-tailed hawks, pileated woodpeckers, white-tailed deer, squirrels, rabbits, and many, many more of nature's delights.

A Message from the Marlins

CHAMPIONS!

What a season it was for the Brownsboro Farm Marlins! Congratulations to all of our swimmers and coaches on an incredible 2026 season and on becoming **Division 4 Champions!** From the youngest swimmers to our seasoned veterans, every Marlin contributed to a season full of hard work, teamwork, sportsmanship, and plenty of fun. We are so proud of everything our swimmers accomplished both in and out of the pool.

We would like to extend a very special thank you and farewell to Coach Makenna and Coach Kenya, who are finishing their final season with the Marlins. Their dedication, encouragement, and love for our swimmers have made an incredible impact on our team, and they will be deeply missed. Also, to our Brownsboro Farm community, thank you for cheering from the sidelines, helping behind the scenes, and supporting our fundraisers. Your enthusiasm and generosity helped make this championship season one to remember. Congratulations, Marlins!
