Parks Board Updates

About Our Park

The City of Brownsboro Farm has an 11 acre park system, about one eighth of the city's area, making it unique among suburban cities. The south end of the park, accessible from Cascade Road, is devoted to recreational facilities and the Community Center and Pool. The playground area, all weather tennis/pickleball court, a four lane 25 meter swimming pool, cookout patio, volleyball and badminton courts are the park's main attractions. Hidden in a valley of aging hardwoods lies a quiet nature park far from the busy noise of life's bustle, yet within walking distance of half century old homes. This lovely family estate, built in the 60's boasts a nature park with over six thousand feet of private walking paths for residents and their guests, and always there are those awesome views. A watchful eye will be rewarded with sightings of red-tailed hawks, pileated woodpeckers, white-tailed deer, squirrels, rabbits, and many, many more of nature's delights.
